

Hypnosis Training for Conclave in Mexico

Whether you are already a practicing hypnotist, from another professional discipline, or are looking for a career change, this course is for you. The Summit Performance Hypnosis Training Course is a basic to advanced hypnosis certification, and detailed instruction on how to build and sustain a viable practice.

Who should take this course?

- A practicing psychologist, MD, RN, CRNA, LPN, LMT, PA, complementary and alternative medicine practitioner, social worker or other therapist who wants to add hypnosis to your practice
- A certified hypnotist who wants to learn new induction techniques and skills, or simply get recertified
- Someone already certified through an online or distance training and who wants to have hands-on training with a practicing hypnotist
- A life coach or professional who is interested in building a full or part-time hypnosis practice
- A person who loves helping family and friends and would simply like to learn hypnosis to be more helpful

Get hands-on training from a true professional, Laura King, who has studied with top trainers and gone on to build a flourishing hypnosis practice and business. Learn her techniques for combining hypnosis, NLP and life coaching to engage 100% of the clients' mind, and to build trust in the process of making lasting change. Learn Laura's proven methods for clinical application of hypnosis, including: weight loss, smoking cessation, stress management, and working with children. And gain insight about how to work with cancer patients and survivors, preparing for surgery, pain management, and more.

You will leave with everything you need to start and/ or build your hypnosis practice: Intake Forms, Release Forms, basic scripts to help people change bad habits, networking techniques, how to use public service as an avenue to increase your business, and so much more.

Achieving expertise as a hypnotist just got easier. Laura King became a certified hypnotist 15 years ago, and has built a successful practice through her continued quest for excellence, and she is a master of self-promotion!

Laura's class will teach you much more than the basics of hypnosis. She is a seasoned speaker and teacher who will engage your senses, help you to create an action plan for your hypnosis certification, and then she will help turbo-charge your action plan by hypnotizing you to achieve it!

This class is the first of its kind. Be one of the first to tap into Laura King's methods for success; and leave with all you need to start your own practice or successfully add hypnosis to your current business.
